During the Examiner Interview, the Notice of Non-Compliant Amendment dated 22 January 2008 ("Amendment Notice") was discussed. Applicant's representative requested clarification of the Amendment Notice. The Examiner indicated that there needs to be an instruction to add, delete, or replace the paragraph submitted as an amendment to the Specification in Amendment A. Applicant's representative inquired as to whether the amendment could be accepted as-is. The Examiner indicated that she would consult with a Legal Instrument Examiner. Later the Examiner telephoned Applicant's representative and stated that a new amendment must be filed that includes the instruction to add, delete, or replace the paragraph. Applicant's representative agreed to submit a revised amendment, which was subsequently filed on 1 February 2008.

No fees are deemed to be necessary; however, the undersigned hereby authorizes the Commissioner to charge any fees which may be required, or credit any overpayments, to Deposit Account No. **502806**.
